Garden RELEAF Events & Activities

National Blueberry Day - Fund raising for beyondblue and displays of Blueberries and blue plants.

The Nursery Industry is celebrating National Blueberry Day on Sunday the 19th of March. Participating Nurseries around Australia will be selling Blueberry plants and raising money for beyondblue.

If you purchase a Blueberry plant from Tim's Garden Centre \$20.00 will be donated to beyondblue.

It's all part of GARDEN RELEAF. An initiative designed to get people outside in the garden to improve their mental health.

- 10am. Learn how to grow vegetables. It's easy and fun and you don't even have to have a garden.
- 11am. Have you ever thought about farming your own honey? The Macarthur Bee Keeping club will show how to keep a bee hive in your garden.
- 12 noon. The Macarthur Bonsai Society will be on hand to teach you how to grow Bonsai. These miniature plants are perfect for people in units and they are fun to grow.
- 2pm. It's gardening for kids!

They can pot up a Pansy plant to take home and grow. Some kids have never touched Potting Mix or grown a plant. This might get them interested in being outside in the sunshine. It's free.

- 3pm. My garden makes me happy!

Learn why gardening makes Tim happy and tell us your story too. It's your chance to talk about your garden.
